ADDENDUM 1 TO INVITATION FOR BID 2019-08 DOCUMENTS FOR THE SAN MATEO COUNTY HARBOR DISTRICT PILLAR POINT HARBOR RV PARK RESTROOM - GREEN SPACE PROJECT

The following responses to bidder questions are provided:

1. Has an arborist report been completed for the site? Do you see a need for one? **An arborist report has not been completed. Need for an arborist report would depend on City of Half Moon Bay requirements for a Project like this. For purposes of this RFP, please assume one will be needed.**
2. On page 4, the very last line states: Selected Proposer will complete 90% design/engineering submittals within ninety (90) calendar days of NTP issuance. Is this correct? **Yes.** Can you clarify how this works with the 120 day requirement for a design to go before the board? **When 90% design/engineering submittals are made, staff will review, provide feedback, then bring final 90% to the Board, target within 120 days.**
3. Will permitting with Caltrans be required for the entry drive along HWY 1? Will there be any interface with Caltrans? **Actual entrance will not be affected. For purposes of this RFP assume no interface with Caltrans.**
