Hello San Mateo County Harbor Commissioners and Staff,

Please **do not** vote to adopt Option 4 which includes a wall of 15 RVs lining the waterfront of El Granada. We do not need nor want yet another RV lot on this cherished and highly scenic stretch of land.

I urge you to slow down and very carefully consider all aspects of this proposed project and how it will most certainly change the character of this area. Consider Daniel Burnhams vision. Please choose option 5 for 6 just for today.

I believe this community would prefer that this land be kept open as a harbor park for all to enjoy in perpetuity . I am sure that this is the highest and best use of this land.

Thank you,

Leni Schultz RN
