Memorandum of Understanding
between
San Mateo County Harbor District
A Political Subdivision of the State of California
and
Operating Engineers Union, Local 3

This Memorandum of Understanding (MOU) is entered into pursuant to the provisions of Section 3500 et seq, of the Government Code of the State of California.

The San Mateo County Harbor District and the Operating Engineers Union, Local 3 have met and conferred in good faith regarding wages, hours, and other terms and conditions of employment for the Employees in said representation unit and have freely exchanged information, opinions, and proposals and have reached agreement on all matters relating to the employment conditions and Employer-Employee relations of such Employees.

This MOU shall be presented to the Board of Harbor Commissioners of the San Mateo County Harbor District as the joint recommendation of the undersigned parties for salary and Employee benefit adjustments beginning the first full pay period following ratification and running through the ending June 30, 2029.

1. RECOGNITION

1.1. Union Recognition

Operating Engineers Union, Local 3, hereinafter referred to as the "Union" is the recognized Employee organization for the following positions of the San Mateo County Harbor District:

Assistant Harbormaster,
Deputy Harbormaster, and
Harbor Worker.

1.2. District Recognition

The General Manager, or any person or organization duly authorized by the General Manager, is the representative of the San Mateo County Harbor District, hereinafter referred to as the "District", in Employer-Employee relations.

2. UNION SECURITY

2.1. Fair and Non-Discriminatory Representation

The Union agrees that it has the duty to provide fair and non-discriminatory representation to all employees in all classes in the units for which this section is applicable regardless of whether the employees are members of the Union.

San Mateo County Harbor District and Operating Engineers Local 3 Memorandum of Understanding

2.2. Certification

The District will rely on a written certification from the Union requesting that the District deduct from employees' salaries or wages an amount equal to the Union's monthly dues or fees authorized by the Union Bylaws. The Union has and will obtain and maintain signed employee authorizations for said wage deductions and will represent to the District that each bargaining unit employee is affirmatively consenting to the dues deductions consistent with federal law. After providing the required certification, the Union will not be required to provide a copy of individual authorizations to the District unless a dispute arises about the existence or terms of the authorization. The Union will, however, each month provide the District with a list of all active Union members and non-members in the bargaining unit.

Based on the certification from the Union described above, the District will deduct, monthly, the amount of Union regular and periodic dues and fees and any special membership assessments as may be specified by the Union under the authority of an authorization card signed by the employee. Dues deduction for employees will only be made upon the written certification from the Union.

A written statement of the names and amounts deducted will be forwarded promptly to the Union office, at the address specified by the Union.

The District will provide the Union with a list of newly hired unit members.

The employees' earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions authorized by this Section. When an employee is in a non-pay status for an entire pay period, no deductions for union dues or fees will be made to cover that pay period. If an employee is in a non-pay status for part of the pay period such and that employee's wages are not sufficient to cover the full deduction, the District will not deduct Union dues. All other required and authorized deductions have priority over the Union dues.

2.3. Change or Cancellation of Deductions

The District will direct employees requesting to discontinue or change Union dues deductions to the Union. The District will rely on information provided by the Union regarding whether or the authorization for the Union dues deductions was properly discontinued or changed but will determine for itself if an employee is affirmatively consenting to Union dues deductions.

2.4. Itemized Record

The Union shall keep an adequate itemized record of its financial transactions, and shall, upon request by the District, make available annually to the District and to bargaining unit members, within sixty (60) days after the end of its fiscal year, a detailed written financial report in the form of a balance sheet and an

San Mateo County Harbor District and Operating Engineers Local 3

Memorandum of Understanding

operating statement, certified as to its accuracy by its president and treasurer, or corresponding principal officer, or by a certified public accountant.

2.5. Indemnification

The Union shall defend, indemnify, and hold harmless the District and its officers and employees from any claim, loss, liability, cause of action or administrative proceeding arising out of the operation of this Article. Upon commencement of such legal action, administrative proceeding, or claim, the Union shall have the right to decide and determine whether any claim, administrative proceeding, liability, suit or judgment made or brought against the District or its officers and employees because of any application of this Article shall or shall not be compromised, resisted; defended, tried or appealed. Any such decision on the part of the Association shall not diminish the Union's defense and indemnification obligations with this MOU.

The Union, upon its compromise or settlement of such action or matter shall timely pay the parties to such action all such sums due under such settlement or compromise. The Union, upon final order and judgment of a Court of competent jurisdiction awarding damages or costs to any employee, shall pay all sums owing under such order and judgment.

The District, immediately upon receipt of notice of such claim, proceeding or legal action shall inform the Union of such action, provide the Union with all information, documents, and assistance necessary for the Union's defense or settlement of such action and fully cooperate with the Union in providing all necessary employee witnesses and assistance necessary for such defense. The cost of any such assistance shall be paid by the Union.

3. UNION ACCESS TO BARGAINING UNIT MEMBER

3.1. Bargaining Unit Member Contact Information

To the extent required by Government Code Section 3558, the District will provide the Union with a list of names and contact information (listed below if on file) for any newly hired bargaining unit member within thirty (30) days of the date of hire or by the first pay period of the month following hire. The District will also provide the Union the contact information for all bargaining unit members no later than 20 working days from the date of ratification of this agreement and then again on the last working day of September, January, and May each year this agreement is in force. The information will include the following information except for any information subject to exclusion pursuant to Government Code Section 6254.3(c):

- Employee name,
- Job title,

San Mateo County Harbor District and Operating Engineers Local 3 Memorandum of Understanding

- Work location,
- Home address,
- Personal telephone numbers, and
- Personal email addresses on file with the District.

3.2. Union Access to New Employee Orientation

The District will notify each new bargaining unit eligible member that their classification is part of a bargaining unit represented by the Union, and the name of a representative of the Union. If requested, the District will provide the employee with a packet of information and an electronic membership application form supplied by the Union.

The District will provide the Union not less than ten (10) days' notice of the onboarding orientation meeting held between the Human Resources Department representatives and new bargaining unit employees, including the date, time and location of the orientation meeting. If a bargaining unit member's first day of work begins less than ten (10) days after the date the employee is hired, the 10-day notice requirement may be reduced, and the District will instead provide as much advance notice as reasonably possible of the orientation meeting.

The District will allow an Operating Engineers Local 3 unit member representative and/or an Operating Engineers Local 3 outside labor representative to spend up to thirty (30) minutes with the new unit member at the end of the onboarding orientation meeting in order to provide information and materials about the collective bargaining agreement and related matters. No representative of District management will be present during the Union's presentation.

4. UNION REPRESENTATIVES

4.1 Employees of the Union:

Employees of the Union may enter the premises of the District to observe whether the terms and conditions of this Agreement are being adhered to, provided that such activity shall not interfere with or delay the work of the employees of the District. Upon arrival, the Union's Employee(s) will advise the General Manager or the General Manager's designee, of the Union Employee's presence on the property.

4.2 Authorized Representative

Each year, on or before January 31, the Union will inform the District, in writing, of the Business Agent(s), representative(s) and steward(s) who are authorized to represent employees and to act on behalf of the Union.

4.4 Release of Unit Representative:

A maximum of two (2) employees shall be released from work by the District to attend negotiations between the Union and the District. Reasonable time shall be allowed for this purpose with pay. No overtime shall be allowed for this purpose, unless approved by the General Manager in advance of the meeting. Absent unusual circumstances the Union will notify the General Manager or the authorized designee in writing at least one week in advance of the bargaining session of the names of the employees to be released to attend negotiations.

5 EMPLOYEE RIGHTS/DISTRICT RIGHTS

The Union, on behalf of the Employees it represents, retains all the rights granted to it by the Meyers-Milias-Brown Act.

Any changes in plans or coverage shall require the District to meet and confer with the Union. Such changes in coverage or replacement plans shall be effective only upon the ratification of such changes by the parties to this Agreement.

Any regular, full-time employee who provides evidence of alternative health and medical insurance may opt to withdraw from the District's health and medical insurance program. If the District will affect savings as a result of not having to pay premiums for these employees who withdraw from the program, fifty percent (50%) of such savings based on the most inexpensive option available or a maximum of \$990.00, whichever is less, shall be returned to the individual in the form of a bonus payable concurrent with regular payroll.

16.2 Longevity Health Insurance Premium Payment Program

Any Employee hired prior to July 1, 2009, upon leaving District employment, shall be entitled to continue the individual's and dependent's then existing health, dental, and vision benefits, and life insurance, at District expense, provided that the individual meets all of the following conditions:

The individual's total service at the time of separation, for any reason is not less than twelve (12) years.

San Mateo County Harbor District and Operating Engineers Local 3 Memorandum of Understanding

The individual was not terminated for good cause.

The District shall pay the premiums or other charges for qualifying individual's continuing coverage for health; dental, vision, and life Insurance benefits pursuant to the following formula: for each two (2) months of service of an individual, the District will pay one (1) month's premium for said health and welfare benefits and one (1) month's premium for said life insurance. The premium paid shall be that to provide, at the minimum, the standard health, dental, vision, and life insurance benefits provided to the individual and/or the employees dependents at the time the individual leaves District employment, plus any additions to coverage or increased policy limits provided to continuing Employees, subject to the provisions of the insurance itself which may limit the level of continuing benefits or coverage.

Thereafter, the individual may continue the health and welfare or insurance benefits by personal payment if authorized by the respective carriers. If a qualified individual dies before the District's obligation to pay premiums expires, the District will continue to pay the applicable premiums for the individual's domestic partner, spouse and/or dependents, if any, until the District's obligation expires.

If any individual who is otherwise eligible for these continuing benefits obtains similar benefits through any new employment or service with a public or private entity, other than benefits provided as a self-employed individual, the premiums paid by District for said benefit shall cease permanently, regardless of the cessation of said secondary employment benefit(s).

Any qualified individual has the right to demand that the District may direct payment of the cost of the then applicable health and welfare or life insurance premiums to any other carrier or provider of the individual's choosing. Such payments shall not exceed that which the District would have paid had the individual remained in the District's available programs.

This Section is subject to revision or elimination on the basis of future actions by the legislature of the State of California or the Board of Harbor Commissioners of the San Mateo County Harbor District. Should this Section be modified or eliminated all benefits previously earned and vested shall be maintained if permitted by Law.

This Section shall be changed only after the parties "meet and confer" and such changes shall not become effective until ratified by the parties.

Employees hired on or after July 1, 2009 shall not be entitled to receive benefits from the Longevity Health Insurance Premium Program. The District will provide

16.3.1 Fitness for Duty

The District will reasonably accommodate employees who cannot perform the full range of their duties due to disability as defined in state and federal anti-discrimination law. 16.3.2 Appeal

An Employee who has a mental or physical disability which the District cannot reasonably accommodate, based upon a physician's medical opinion and an interactive process with the Employee, may appeal to the General Manager within ten (10) days of the date of a written notice of inability to accommodate. The General Manager shall appoint a medical specialist not in the District service to conduct a second fitness for duty evaluation and to report the findings in writing. Subject to budgetary limitations, this evaluation shall be conducted at the cost of the District. If sufficient funds are not available, the evaluation shall be at the cost of the person appealing medical rejection. The General Manager will review the findings of the medical specialist, conduct a further interactive process with the employee as warranted by the second fitness for duty report, and will determine whether the Employee's disability can be reasonably accommodated.
